"J.J. here everyone!!! I called in a favor with the management of the FAL, who thankfully is COT, to get some space to drive home what I had said in the trash talk last cycle, just to make sure I got the point across. I don't mean to toot my own horn, but I am pretty much the glue that holds the Circle Of Tyrants together. I'm not humble bragging or anything, it is just the way it is. I give 110% on everything I do. I am the non descript partner in a trio when the team is running short. The same when it comes to tag teams. I can win on my own when I don't have something better to do. A jack of all trades, master of none. If the Tyrants had an Employee Of The Month Award, I'd win it every single cycle. The competition in the FAL is getting much tougher, so I need to step up what I contribute because if not, we might not continue the title page dominance everyone is use to seeing. So time to pull up the boot straps and get to work. The one and only J.J. Fires is needed now more than ever!!!!!!"

A NEW CHAMP CROWNED!!!

In what was seen as one of the closest competitions in the history of the FAL, the promotion has crowned a new Gulfport TV Wrestling champion in the form of none other than newcomer, Padre Conrad. Congrats Padre!!!

Almost every bout was decided by a single point. We look forward to seeing how Conrad defends the title going forward. The TV title is a title we plan to defend almost every single cycle barring a change in our show coverage. Who will be the first to fight for the title has yet to be determined, so please stay tuned!!! Again, congratulations to the new champion, and may he have a long tenure as television champion!!!

RALPH FURLEY HAS A THREAT FOR THE FAL:

"I WILL DO WHATEVER IT TAKES TO GET BACK INTO THE FAL'S HEAVYWEIGHT TITLE SCENE!!!"

He is a man with plenty to say. He's also looking to re-establish himself as a main event contender. He will do whatever it takes to be the star he used to be once again...

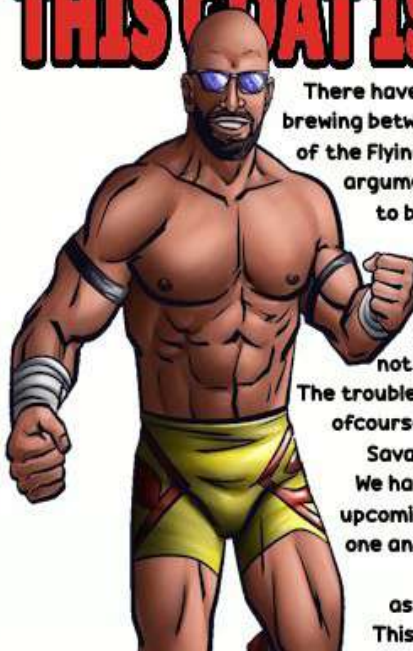

"Hey hey hey!!! Ralph Furley here!!! I got lots to say so I will get right down to it. I haven't done shit of late plain and simple. Shocking coming out of my lips, but true none the less. I deserve to be in the main event title scene, you know it, and I know it. So I am gonna do whatever it takes to make that happen, and I do mean ANYTHING!!!!!! Mine is a name that you will hear

between now and the end of the year. I am going to wreck ahop in the Flying Aces League!!! I am going to get my hands on that Southern Heritage title by whatever means are necessary. That even means if I have to plow through fellow Circle Of Tyrant members to achieve my goal, then that is just what

I will do. I do not care anymore, about anyone or anything!!! This is the era of Ralph M'F'n Furley!!! The COT may not like it. That doesn't matter. I am putting ME first!!! 2026 is gonna be the year everyone remembers in the FAL. Get use to it..."

THIS GOAT IS IN HOT WATER!!!

There have been rumblings in recent weeks/cycles, that trouble is brewing between the GOAT of the FAL, Kevin Savage, and the officials of the Flying Aces League. Whispers state there have been several arguments, what about we do not know, but it has been proven to be heated enough that management has refused to talk about it. Gossips and sheet writers point to an incident that occurred on the road at a house show a month or two ago. Kevin Savage has been mum about it to this point as well. But when you are close to the man, he has not been the same quasi affable fellow he has usually been. The trouble, whatever it was/is is up to the GOAT to disclose, unless ofcourse management chooses to make a statement. Prodding Savage has repeatedly been met with a quick "No Comment". We have also noticed that he has not been mentioned much in upcoming storylines or pushes. Both sides are clearly angry at one another. We will continue to strive to find out more about what has been going on. So everyone please stay tuned as the anger pot continues to boil over the coming cycles. This may be the big story to close out the year of 2026!!!!!!!!!!

COMING SOON!!! MEAN GENE Q&A!!!

In the coming cycles, we plan to sit down with none other than FAL personality Mean Gene in a first time Q&A with fans and wrestling related journalists. He is reported to be planning to discuss his current FAL plans, his knowledge of C4 and his subsequent relationship with Director X, and much more!!!!!!!!!!!! Please stay tuned for further news etc.

ARE THE RFD/LORDS NOW ON TOP???

SHOULD THE TYRANTS NOW TAKE THEM SERIOUSLY???

For the longest time, the Circle Of Tyrants has owned the FAL lock stock and barrel. But, there has been one group that has stuck it out through the thick of it. That group is RFD/ Tyrants. They haven't dominated, but they have certainly made the Tyrants look like fools on more than one occasion. They took league and controlled the title page last cycle. They figure that's just the beginning. But the Circle Of Tyrants will not take this lying down. Do the Lords have what it takes to take the fight to the COT??? That remains to be seen. But these royals seem extremely confident. They obviously feel they can get the job done. This will most definitely be the feud of the year and beyond. We will all look forward to the brash young tigers trying to devour the experience lions.

Vanity: "Just in case anyone didn't get the memo, I STILL have the Flying Aces League championship in my possession. Well, the particular member of my crew HOLDING it may have changed, but the IMPORTANT thing is, it's mine. And look! Chris and Ernie are carrying hardware as well. It's times like this that I am reminded even more strongly of how great it is to be me. You don't have to announce your admiration for the Golden Goddess; I accept a blanket payment of homage from all of you. Let it be known if you wish to be excepted."

The camera finds **Professor Vitali Medved** studying a clipboard covered in arrows, circles, and the words *GOOD FLOW* scribbled three different times. Marching into frame are the impeccably dressed Scotsmen **Angus Macallan** and **Andrew Aberlour**, collectively known as **The Notorious Sherry Bombs**.

Macallan folds his arms. "Professor... we've a complaint."

Medved doesn't look up. "Accepted."

"We were in the RDL. Then the IWL. And now we're in the FAL."

Aberlour sighs. "We'd simply like to know why."

Medved flips another page without looking up. "Flow."

"...Flow?"

"Perfect point flow."

The Scots exchange a look. Joey Everclear wanders into frame carrying a bottle of what might be water. "Oh, hey!" He smiles. "I knew some guys just like you in the RDL."

Macallan blinks. "...That was us."

Joey thinks for a second. "Nah, those guys were all named Pete." Another pause. "But that's actually pretty cool."

Macallan pinches the bridge of his nose.

Joey suddenly snaps his fingers. "Hey... does anybody know what happened to Colossal Machine? That guy was here for like... five minutes."

Bob Doner walks through the background eating a pita sandwich. "Mmm?" He points with the sandwich. "I think I saw him over in the WTL."

"THAT IS MONSTER MACHINE!" Medved bellows.

Bob stops. "...Looks pretty colossal to me."

"Different Machine!"

Joey nods thoughtfully. "I guess I can kinda see it."

Macallan slowly turns toward Aberlour. "I'm beginning to think this company has organizational issues."

Aberlour nods gravely. "I've been thinking that since the RDL."

Medved points emphatically with his clipboard. "There is no Colossal Machine in WTL!"

Bob shrugs. "Big guy in a Machine mask."

"Monster Machine!"

Joey scratches his head.

"So where's Colossal?"

"...XWA."

Everyone pauses. Joey smiles. "See? We problemsolved together."

Medved looks offended. "No." He points dramatically down the hallway. "You accidentally arrived at correct answer."

Bob takes another bite of his pita. "Still counts."

The Scots exchange one final weary glance. Macallan sighs. "...Can we at least stay in the FAL for a while?"

Medved looks at his clipboard. "...Probably."

The Notorious Sherry Bombs both exhale in relief.

Joey grins. "Nice, bro. That's... y'know..." He searches for the words. "...good flow."

Down the ramp walks Director X to the C4 security and the crowd whistling the C4 whistle and it echoes throughout the arena. In the ring ,stands C4 announcer Mean Gene Okerwick

Mean Gene: You have been busy traveling around the World with C4 and the Destroyers, Director X!

Director X: Yes I have Mean Gene. From North America to South America to Europe to Australia. it doesn't matter. We are traveling all over. Taking on all challenges big and small. As long as the price is right we will be there.

Mean Gene: The competition is tough in the league.

Director X: They will all fall. 1 at a time or all at once. Plus the commissioner better keep going with his tournaments. A popular thing they like to do is take a couple cycles off. Then when it seems clear start up again. Don't discontinue because my Destroyers start winning in the series. All that money and your brass rings will be mine

Mean Gene: Tell me about Buzzard's finisher. It looks so painful. I wouldn't want it put on me.

Director X: Follow The Buzzard is similar to the Sister Abigail. Once executed the 3 count is guaranteed.

Mean Gene: No thank you sir.

"Director X hands Mean Gene the microphone and exits the ring. He walks up the ramp as the C4 security and crowd whistle echoes throughout the arena."

Opening Commentary

Bob Battle:

Last week, the FAL was left with more questions than answers. Kevin Savage... Midnight Rider... 'Tough' Tom Vicious... strange messages... old photographs... and rumors that just won't go away.

Mike "The Mouth" Murphy:

Rumors are all they are, Bob. Everybody's acting like the sky's falling.

Bob Battle:

Sometimes it's not the noise that gets your attention...*(Beat.)*...it's when everything suddenly gets quiet.

Segment 1 – Candace Interviews a Bobby Lord

Candace Krueger: Everybody's talking about Kevin Savage and the MWC. Your thoughts?

(Lord shrugs.)

Bobby Lord: Kevin Savage? Sure, I know Kevin Savage. Tom Vicious. Midnight Rider. We've seen all this before. Good for them. Maybe they'll sell a few T-shirts.

Candace: So you're not concerned? (The leader laughs.)

BL: Concerned? No. We've got championships to defend. We've got our own business to worry about. Those guys are part of FAL history. History's history. (he smiles and walks away.)

Mike Murphy: There you have it.

Bob Battle: That's interesting.

Mike Murphy: What's interesting?

Bob Battle: Everybody thinks they already know Kevin Savage. *(Beat.)* I'm just not sure they do anymore.

Segment 2 – Production Office

(Scarlett is reviewing production notes when Candace walks in.)

Candace: Got a minute?

Scarlett: Depends.

Candace: I talked to some of the top guys. They don't seem worried. (Scarlett continues working.)

Scarlett: They shouldn't be. (Candace looks surprised.)

Candace: Really? (Scarlett finally looks up.)

Scarlett: If Kevin walked back through those doors ten years ago wanting one more run...I'd tell you not to waste your time worrying. *(Beat.)* This feels different.

Candace: Different how? (Long pause.)

Scarlett: I don't know yet. *(Beat.)* But I know him.

Candace: You still know him that well? (Scarlett gives a small, reluctant smile.)

Scarlett: Better than I'd like to. *(Beat.)* Doesn't mean I always understand him.

Candace: Can I ask you something?

Scarlett: You usually do.

Candace: Last week...when I left with Kevin...you seemed... (Scarlett looks at her.)...upset.

Scarlett: I wasn't upset. I was irritated.

Candace: At me?

Scarlett: No. At him. *(Beat.)* Kevin has a way of making people think they're asking the questions. Usually...they're not.

Candace: Nothing happened.

Scarlett: I know. That's what worries me. (Candace studies her. Before she can answer David Caldwell walks in.)

David Caldwell: Scarlett, Commissioner Houston is not happy.

Scarlett: That's not exactly breaking news.

David Caldwell: He thinks Savage is recruiting.

Scarlett: Maybe.

David Caldwell: Then why isn't anybody doing anything?

(Scarlett looks toward the arena.)

Scarlett: Because everybody thinks they already know the ending. (She walks away.)

Segment 3 – Backstage Hallway

(Scarlett turns the corner. Kevin Savage is sitting alone on a production crate, quietly taping his wrists.

Neither says anything for several seconds.)

Kevin Savage: You still watch me tape my wrists. (Scarlett glances down. She hadn't realized she was.)

Scarlett: Habit. (Kevin nods.)

Scarlett: The body's in great shape. *(She gives him a quick once-over.)* Matter of fact...I think you're bigger than you've ever been. *(Kevin grins.)*

Kevin: I was hoping somebody would notice.

Scarlett: Still vain. *(Kevin chuckles. Her eyes drift down to the tape wrapped around his wrists.)*

Scarlett: But I also know where the miles are. *(Kevin looks down at the tape. Flexes his hand.)*

Kevin: Still gets me where I need to go. *(Long pause.)*

Scarlett: That's not what I'm talking about. *(Beat.)* You came back years ago. I understood that. This... I don't understand. *(Kevin studies her.)*

Kevin: Everybody thinks they know what I'm doing.

Scarlett: Do they? *(Long pause.)*

Kevin: Do you? *(She doesn't answer.)*

Scarlett: Whatever you're building...stop.

Kevin: Can't.

Scarlett: Won't.

Kevin: Little of both. *(She shakes her head.)*

Scarlett: Kevin... We don't go home together anymore. We don't make these decisions together anymore. That's just the way life turned out. *(Beat.)* But I still have a job to do. And I'm going to protect this company. No matter what. *(Long silence. Kevin nods. No grin. Just respect.)*

Kevin: I'd expect nothing less. *(He starts walking away.)*

Scarlett: Kevin. *(He stops. Doesn't turn around.)* I mean it. *(Another beat.)*

Kevin: That's why they hired you. *(Kevin walks away. Scarlett watches him disappear down the hallway. She is left standing there, and for once, she looks uncertain.)*

Closing Commentary

Mike Murphy: Well...that wasn't exactly what I expected. Nobody fought. Nobody challenged anybody. Nobody made a move.

Bob Battle: Sometimes...that's exactly when you should start paying attention.

Mike Murphy: You really think something's coming? *(Bob watches the ring for a moment.)*

Bob Battle: I think everybody's waiting...for somebody else to make the first move.

Mike Murphy: And Kevin Savage? *(Bob smiles ever so slightly.)* You really think he's really trying to "put the band back together?"

Bob Battle: I don't think he's waiting on anybody.

Fade to black.
