FSL Exclusive: "The Final Rebrand"

[The screen fades in from black.]

A sleek, minimalist set.

White walls.

Designer furniture.

A protein shake sits untouched.

The words "A MESSAGE FROM ALPHA BRO CHILLINGTON" appear on screen.

A beat.

The title glitches.

"...FROM TANNER MOGGINS."

[Camera cuts to The King Alpha sitting perfectly centered, wearing an expensive fitted black t-shirt, layered gold chains, immaculate hair, and sunglasses despite being indoors.]

He sighs.

A long sigh.

Chillington:

It's exhausting...

Being right all the time.

You know...

I've spent the last few months doing what every successful brand does.

Analytics.

Market research.

Sentiment analysis.

Heat maps.

Focus groups.

Mirror time.

Lots...

of mirror time.

And I've come to a realization.

The name...

Alpha Bro Chillington...

...

developed...

certain...

connotations.

[He nods solemnly.]

Some of y'all made "Alpha" weird.

Like...

REALLY weird.

I was trying to inspire excellence.

Next thing I know, the internet's arguing about wolves, podcasts, cold plunges, and eating raw liver before sunrise.

Bro...

I just wanted good lighting.
[Shrugs.]

And then there's...
Nicholas.
Nicholas...
if you're watching...

...
I know you're watching.
Please stop editing us together in fan videos.
We have never vacationed in Cabo.
That picture was AI.

So I asked myself...
Who am I?
Not the gimmick.
Not the hashtags.
Not the championships.
Not the verified accounts.
Who...
am...
I?
...

Turns out...
I'm Tanner.
Tanner Moggins.

Yeah.
Government name.
You're welcome.
You're finally worthy of hearing it.
And if we're doing authenticity...
We're doing the whole thing.
Because this isn't about being Alpha anymore.
Being Alpha is...
outdated.
Being the biggest.
Being the loudest.
That's old software.
We're running Version 3.0 now.
This...
is about optimization.
Continuous improvement.
Facial symmetry.
Jawline awareness.

Hydration.
Angles.
Lighting.
Presence.
Aura.
This...
is Looksmaxxing.
[He points at the camera.]

I don't just win matches anymore.
I optimize them.
I don't cut promos.
I optimize engagement.
I don't walk into arenas.
I optimize first impressions.
Some wrestlers train.
Some wrestlers recover.
I...
Looksmax.
Every.
Single.
Day.

And for those of you wondering...
"What exactly is mogging?"
Simple.
You ever walk into a room...
and somebody immediately questions every life decision they've ever made...
without you saying a single word?
That's mogging.
You ever make another dude immediately stand up straighter?
That's mogging.
You ever get introduced...
and somebody else instantly becomes the least attractive person in the frame?

...
That's not confidence.
That's science.
Mike Cook?
Mogged.
Andre the Colossus?
Respectfully...
slightly mogged.
The Masked Demolishers?
Still can't tell 'em apart.
Collectively mogged.
Stage Five Clinger Nicholas?

...

Bro.

You are the only man who's ever been mogged...

and somehow became more attached.

I genuinely don't know how that happened.

So from this day forward...

There is no Alpha.

There is no Chad.

There is only...

Looksmaxxing Tanner Moggins.

The face of the future.

The jawline of justice.

The cheekbone champion.

The mogfather himself.

[He stands, smooths his shirt, and removes his sunglasses for the first time.]

One last thing.

To every wrestler in FSL...

Don't compare yourself to me.

Comparison steals joy.

...

But if you insist...

Stretch first.

Wouldn't want you pulling something.

Trying to reach my level.

[He smiles directly into the camera.]

Stay...

Mogged.

Stage Five Clinger Nicholas — Diary Entry #66

"Still Waiting..."

Dear Diary,

I've officially been waiting so long that they drained the entire Reflecting Pool. Most people would've gone home....Not me....I'm committed. I just figured Chad was running a little late.

The construction workers keep telling me they're repairing the pool. I think they're just trying to make me feel better. I don't even notice they're replacing the whole bottom. Honestly...I'm just glad somebody finally decided to work around my schedule.

I did hear something today, though. A rumor. A beautiful, wonderful rumor. Apparently Chad Bro Chillington is looking for a tag team partner. I almost fell out of my canoe. Nosey Neighbor Norm was actually the one who found out. Of course he was. He somehow overheard Chad talking while hiding inside a decorative shrub. Norm paddled over and yelled,

"NICHOLAS! CHAD'S LOOKING FOR A PARTNER!" Then, before he could finish...Procrastinator Pete wandered over. Norm said,

"Hey Pete, can you tell Nicholas? I'm late for my Neighborhood Watch meeting."

Pete said,

"Yeah... I'll get around to it." That was...Three weeks ago. Pete still walks by every day. He keeps saying, "I'm gonna tell him tomorrow." Tomorrow must be a really busy day.

Kevin from the Complaint Department has also been here the whole time. Not because he cares. Because he's waiting for me to leave so construction can finish. Every morning he storms onto the site yelling,

"THIS IS RIDICULOUS!" "The pool's empty!" "The jackhammers are too loud!"

"The porta-potties are facing the wrong direction!" "And WHO APPROVED REPAIRING A NATIONAL LANDMARK DURING MY LUNCH BREAK?!" Yesterday he actually filed a complaint against the Lincoln Memorial. I'm not sure Abe can respond.

Peeping Tom Malone showed up too. At first I thought he came to check on me. Nope. He's hiding behind a bulldozer watching Chad's Instagram Live on his phone. Every few minutes he whispers, "Ohhh... Chad changed shirts." Then he writes something down. Honestly...That's commitment.

The construction foreman keeps looking at my oars. He says they're the reason the lining had to be replaced. I don't think that's true. They're just really enthusiastic oars. Besides...Nobody has officially blamed me. Yet.....

You know what's funny? I won the Battle Royal. I'm the Great Lakes Champion. I keep winning matches. I keep proving people wrong. But somehow...People still talk about me like I'm some joke. Not because I lose. Because I care. Apparently wanting friends makes you weak. Apparently supporting people makes you desperate. Apparently loyalty is embarrassing now.

AE acts like they're above everyone else. Tommy Zulu keeps looking at me like friendship is contagious. The Warrior JD talks about domination. The rest of AE stand behind him nodding like emotional support is illegal. Maybe that's why Chad won't pick me. Maybe he wants to. Maybe he actually sees everything I've done. Maybe he remembers I stood by him before anyone else.

Maybe...He's worried what Tommy and the rest of AE will think. Naaaaa, guys like Chad aren't worried about that stuff..but...Nobody wants to get laughed at for choosing the clingy guy.

But here's the thing...I'm not clingy because I'm lonely. I'm clingy because I believe people are worth sticking with. Maybe that's old-fashioned. Maybe it's weird. But I'd rather care too much than not care at all.

One day...People are going to realize that championships don't make great teammates. Loyalty does.

Until then...I'll keep waiting. The pool can be empty. The workers can rebuild it. Kevin can keep complaining. Norm can keep spying. Pete can keep procrastinating. Peeping Tom can keep peeping. AE can keep judging. And Chad...Well...I'll save him a seat in the canoe.

Love,
Nicholas ☐

P.S. One of the construction workers asked if I'd move my boat.

I told him I couldn't. What if Chad shows up while I'm gone?
