Bobby "The Brain" Higginbotham Celebrates Big Jim Minton

[The camera opens on Bobby "The Brain" Higginbotham standing in front of an OSL backdrop. At the center is Big Jim Minton, wearing both the OSL Alliance Championship and the prestigious IWA Steel Federation Championship. Minton towers silently behind his manager.]

BOBBY "THE BRAIN" HIGGINBOTHAM:

I hope every league in the Steel Federation is watching. I don't mean the fans. I mean the wrestlers... especially the ones who used to call themselves champions.

(He smiles smugly.)

They all marched into the Steel Federation thinking their league had the toughest competition. Every one of them walked in carrying gold over their shoulders... and every

one of them walked out looking up at the lights.

(He points to Big Jim Minton.)

Because standing right here is the man who beat them all.

Not one champion. Not two. All of them.

(Minton slowly raises the Steel Federation Championship.)

This isn't some lucky tournament victory. This isn't somebody catching lightning in a bottle. This is exactly what I've been telling everybody since Big Jim Minton joined the Higginbotham Family.

Size matters. Power matters.

And when you've got both in one six-foot-ten giant who can move like Big Jim... the rest of the locker room is just playing for second place.

(Brain circles Minton as if presenting a trophy.)

The Alliance Champion wasn't satisfied with ruling the Old School League.

He wanted to prove he ruled the entire Steel Federation.

And now there's no argument left.

(He leans into the camera.)

You can keep telling yourself your league champion had a bad night.

You can blame the officials. You can blame the bracket.

But don't blame Big Jim Minton for doing exactly what he promised.

He beat every champion put in front of him.

(Brain taps the Steel Federation title.)

This championship isn't hanging around Big Jim's waist because someone gave it to him.

It's there because no one could take him down.

(He grins from ear to ear.)

So let me save the rest of the federation a lot of disappointment.

If your dream is becoming the next Steel Federation Champion...

(He glances up at Minton.)

...you're going to have to solve a problem no champion has solved yet.

How do you move a mountain?

[Big Jim Minton slowly lifts both the Alliance Championship and the Steel Federation Championship high into the air as Bobby Higginbotham laughs confidently. The camera fades out on the imposing image of the champion and manager standing above the rest of the federation.]
