NATIONAL PATRIOTS LEAGUE PRESENTS....

BOILING POINT

(The show opens with a shot of beautiful Tampa Bay, Florida. Then a short but detailed video clip of all the feuds and matches of the night. Even the Dark Figure from last year's antics. Fast forward to the Frontline Weekly Show where Head Security Matt was in the large shipping box. Returned to his best friend, Commissioner Jaxx. The video ends with the Dark Figure promising an appearance at Boiling Point in Tampa, Florida. As the feed cuts out, the National Patriots League Commissioner Jaxx is talking to his now LARGE security team. Giving them explicit instructions for the night. Later, as NPL wrestlers come into the arena, the Rags2Riches Security members check them into the building. The same is being done for all shipments AND NPL wrestling fans who pack the 25,000 seated arena. Commissioner Jaxx is watching as ever member of the NPL locker room enters the arena. Suddenly Commissioner Jaxx's phone rings.)

Commissioner Jaxx: Hello... *(Long Pause)* Calm...yes...calm down Matt. It's okay. I have 4 of my best security guys watching my office. You are safe there...yes fam. You will be safe there. That *(Bleep!)* won't be able to get to you. Yes...yes...okay I have to get the show started. I'll be back there shortly. Eat some of that food I had sent to the office. The doctor told you that you need to eat. Your wife is coming to the arena as we speak. Alright, fam I have to go.

(Disconnects. Jaxx looks up to the ceiling, takes a deep breathe, and speaks to his security guards.)

Commissioner Jaxx: Tony! You make sure EVERY person here is checked thoroughly. I do NOT want that creature in MY building...

(In the background, you hear NPL World Heavyweight Champion and NPL Tag Team Champions Man Mountain Meat, Kraker, Rooster, Redneck Reaper, Backwoods Brawler, and Thrillbilly being checked by security. The care causing and uproar.)

Kraker: Get your filthy hands off me, boy!

Man Mountain Meat: I am the champion here! Move!!!

(Commissioner Jaxx turns around and heads over.)

Thrillbilly: Eh! What is this bossman? Is this how you treat the best stable this League has ever seen? We are about to hold ALL the titles here. Tell them to stay away from me...

Commissioner Jaxx: EVERYONE is to be checked. I don't want any surprises tonight. Do as you're told or you don't come in. And if THAT is the case then you won't get your precious NPL All-American Championship Match tonight. So just go along, get along...

(All the members grumble and accept the last of the screening. They then pass by as Commissioner Jaxx gives the instructions firmer to the Rags2Riches Security team. They acknowledge as the cameras cut to the Boiling Point promo graphic, "And NOW...the National Patriots League Presents...Boiling Point!!!". Cameras cut to the entranceway where pyro shoots out from behind and in front of the large and beautiful set is shimmering in the background. Light pastel colors; pink, blue, teal, etc. A giant video board showing surfing and dangerous sharks swimming on the screen. So many lights and reflecting glass around the video screen. 5 palm trees placed around the stage. The word "TAMPA" is above the video board and lighting up. The 25,000 fans are going CRAZY and chanting N-P-L repeatedly! Many of the fans are holding creative signs and yelling. The cameras then cut to Jim Jones and Bob Sapp. With no Juice Robinson.)

NPL Play by Play Announcer Jim Jones: Hello everyone and welcome to the summer show that changes the game every single year! This is Boiling Point! I am "The Voice of the NPL" Jim Jones. And to my right, my right-hand man and best color guy in the game, the legend Bob Sapp.

NPL Color Commentator Bob Sapp: We have a jammed packed night. More matches than we have ever had in one night. Who better to call the action with than the best play-by-play guy in the business, Jim Jones.

Jim Jones: We are on high alert tonight with the news of this Dark Figure who has terrorized the NPL Commissioner and a number of us through a two-year span. Which is why we don't have our colleague Juice Robinson. The unfortunate news is after he "acted out" on Frontline. He ran off and down the streets of Tampa. He was violently struck by a car. He has some bruises and a broken arm, but he is being taken care of in Tampa Hospital. Please Juice gets better and comes back to us.

Bob Sapp: Yes. Get well kid. We had our differences, but that is the level of harm this Dark Figure has done to the people we care about here in the NPL.

(“Rags2Riches” by Rod Wave hits. The fans stand as Commissioner Jaxx walks through the beautiful Boiling Point LED board. Dressed in a pink suit, platinum cross around his neck, designer shades on, and a mic in his left hand. He speaks.)

Commissioner Jaxx: Tampa, Florida!!!! *(Fans Cheer)* I want to thank you all for coming tonight. 25,202 in attendance! *(Fans Cheer and chant N-P-L repeatedly.)* Respect. I wanted to come out here and apologize for the extra use of security tonight. I don’t want to take ANY chances and let this “terrorist” in the building to harm any of you, my staff, my wrestlers, OR my friends. NOW have a great night and enjoy this opening match! Take it away Aldo...

(Cameras cut to part-time wrestler and full-time NPL Ring Announcer Aldo Montoya.)

Aldo Montoya: Ladies and Gentlemen welcome to Boiling Point! *(Fans Cheer)* Tonight’s open contest is set for one fall. It is the 6-Man Open Challenge Match! Introducing first, from the Heart of the USA, Soldier of Freedom #1, Soldier of Freedom #2, and Soldier of Freedom #3!

(Fans cheer as all three Soldiers as they come walking down the ramp. Wearing camo pants, black strap shirts, and waving American Flags. The fans chant U-S-A! All three soldiers pose at the hard camera.)

Aldo: And their opponents...recently named the “Best Six-Man Tag Team in NPL History.” They are Alpha Male #1, Alpha Male #2, and Alpha Male #3!

(The fans cheer for the Alpha Males. They burst around the corner in their American wrestling singlets. The words “Alpha Males” flash behind them as they pose at the entranceway. Red, white, and blue pyro shoots out behind them. They high five all the fans in the aisle and enter the ring. The fans cheer them as they too pose for the hard camera. Alpha Male #1 and Soldier of Freedom #1 start the match as the ref calls for the bell.)

(They shake hands and then lock up. Alpha Male #1 floats around and gets a head lock on SofF#1. Alpha comes off the ropes and bumps SofF#1 down. They mat wrestle for a few seconds until SofF#1 tags in SofF#2. Alpha Male #1 ducks a clothesline and German Suplexes SofF#2. Alpha Male #3 is tagged in. Alpha Male #3 sends SofF#1 off the ropes and SofF#1 hits a flying forearm to Alpha Male #3. The pace quickens as SofF#1 tags in SofF#3. The Soldiers hits a double suplex on Alpha Male #3. In the corner now, SofF#3 punches and kicks Alpha Male #3 back. After a few shoulder thrusts to Alpha #3’s gut, he climbs to the 2nd rope and punches Alpha #3 10 times. SofF#3 looks to the crowd which is a big mistake cause Alpha #3 clotheslines the Soldier down. Alpha #3 hits a belly-to-belly suplex. Alpha Male #3 tags in Alpha Male #2. The Alpha tosses SofF#3 out of the ring. The Soldiers try to argue with the ref. This allows Alpha Male #1 and #3 to toss SofF#3 around the outside of the ring. Hitting a hip toss into the barricade. Alphas then toss SofF#3 in the ring. Alpha Male #2 hits a T-Bone Suplex and floats

over to cover, 1, 2, no! Alpha Male #2 backs SofF#3 into their corner. Alpha Male #1 is tagged in now. The ring is now cut in half. Alphas are now dominating the match. SofF#3 is in a lot of trouble now. Every time there's a possible three count, the Soldiers interrupt the count. Finally, the Alphas stop a count by pulling both Soldiers off the aprons and toss them into the barricade. The ref warns them not to do that. Alpha Male #3 is in. He slaps on the "Alpha Lock". SofF#3 is in so much pain. He wants to tap until he gets to the ropes. Alpha Male #3 walks back with the ref. Suddenly, SofF#3 tags in SofF#2. He gets in, but the ref never saw the tag. The fans don't like this. But it allows the Alpha Males to hit a double team backbreaker/elbow drop. Alpha Male #3 covers, 1, 2, NO! SofF#3 is out of gas. He breaks free from Alpha Male #3 by neck breaker. SofF#2 then finally gets the Hottest of tags. He cleans house on all three Alphas until Alpha Male #1 side steps a crossbody from the top rope. SofF#2 is hit with three consecutive German Suplexes. Alpha Male #3 is tagged in. He hits a top rope headbutt. Alpha Male #3 is tagged in. Where Alpha Male #3 slaps on the "Alpha Lock". The other Soldiers try to interfere, but the other two Alpha intercept. Finally, Soldier of Freedom #2 taps out. **Alpha Males #1, #2, and #3 win the Six-Man Open Challenge Match!**

Aldo: The winners of the Six-Man Open Challenge Match...The Alpha Males!!!

(Fans cheer as the Alphas embrace. Their hands being raised by the referee. All three go to the 2nd rope and celebrate. Soldiers #1, #2, and #3 clap for the Alphas as the cameras cut to the backstage area.)

(M&M Malcolm Mack enters the arena with his bag and snacks on peanut M&Ms. Dressed in a designer button up shirt, baggy jeans, and the NPL All-American Championship over his left shoulder. He also has red, white, and blue on the tip of his short braids. Mack is halted by something that has him stop. The camera zooms out and its Redneck Reaper and Backwoods Brawler. They have their hands up as a sign of peace and speak to M&M.)

Redneck Reaper: Take it easy, boy. We come in peace. Now I know last cycle we roughed up T-Money, and you came to the rescue. That was business. We need the two of you to know that this group of ours means business.

Backwoods Brawler: Yea, we aren't some simple folks who don't know anything. No. We are the most dominate stable in this league. We have the World Title AND the Tag Titles. After tonight we will STILL have those and that one too. So, enjoy your chocolate and that title while you still got it, boy.

(Malcolm cringes when they call him "Boy". Malcolm drops his bag and steps up to Backwoods. They are face-to-face now. After about 5 seconds of intensity, Malcolm smiles and speaks.)

Malcolm Mack: Ha! May the best man win right? Have a few M&Ms on me. And Good Luck Backwoods in your #1 Contenders Match tonight. That Lightningboy is a pretty strong hand. So take a few M&Ms, and M&M hopes to see you down the road. No Smoke. Peace!

(Malcolm pulls out two bags and gives them to Backwoods and Reaper. He smiles and walks on. Redneck and Backwoods look at each other and toss the bags of M&Ms across the backstage area in disgust.)

(Cameras cut to the ring where Aldo Montoya is ready to announce the next match.)

Aldo: On to our next match of the night. It is the #1 Contenders Match. The winner of this contest will be next in line for the NPL All-American Championship! Introducing first... he is Lightningboy Bobby Day!!!

(The lights are dimmed a bit and lightning shoots on the screen. Pyro bangs and out from the stage comes Lightningboy Bobby Day! He is dressed in blue and black wrestling gear and a small coat that is air brushed "Lightning!" across it. The fans love Lightningboy. Especially the kids. Bobby sees a kid holding a Lightningboy plushie. Bobby takes a marker and signs the plushies shirt. He high fives the kid. Bobby climbs the ropes and yells at the crowd. They cheer back. He does a back flip and lands in the center of the ring. The lights go dark and sparks shoot from the ring posts as if lightning bolts shoot from them. Bobby looks ready for his opponent.)

Aldo: And his opponent. From the Deep South and accompanied by Redneck Reaper. He is the Backwoods Brawler!!!

(The fans boo as a harmonica sounds and slow, and dark music sounds over the arena. Both Redneck and Backwoods walk out to the entranceway. Reaper is dressed in a cut off flannel, backwards camo hat, cut up jeans, and large tattoos on his arms. He is hyping up Backwoods who is a bigger guy. Backwoods is wearing a camo sleeveless jacket, camo hat, and also cut up blue jeans. The fans boo them as they ignore the fans. Redneck is yelling at a male fan until Backwoods pulls him away. They finally roll into the ring and sternly look at the fans. They boo more. Reaper tells Backwoods some more things in his ear. The ref tells Redneck to leave. He does. Backwoods and Lightningboy circle each other as the ref calls for the bell.)

(Backwoods walks up to Lightningboy and tells him he's nothing. His lightning can't save him. Lightningboy Bobby Day looks to the fans and claps his hands together hard. It makes a sound that startles Backwoods. But Brawler gets mad and kicks Bobby in the gut. He goes down. After Backwoods headlock takes Bobby over, Bobby head scissors Backwoods' head. The southern man gets out and arm drags Bobby over. Bobby stands and runs off the ropes; Backwoods hits a drop toe hold. Backwoods shoots off the ropes and attempts a low drop kick, but Bobby moves. Bobby tries to kick Backwoods in the face, but Brawler ducks and rolls Bobby up. 1, 2, no. Backwoods pops up, tries to kick Bobby in the face, but HE ducks too. This allows Backwoods to hit a quick splash. Backwoods covers, 1, 2, no. Reaper yells at the ref to count faster. Backwoods drops a few elbows to the back of Bobby's head. Backwoods backs Bobby in the corner and hits a chop. Bobby fires back with a hard chop of his own. The fans "wooo" this. Bobby shoves Backwoods in the corner and hits a hard chop on the now red skin of Backwoods' chest. Backwoods walk out of the ropes. Bobby then kicks the hamstrings of Backwoods. The redneck

yells in pain. Bobby looks at the crowd and they cheer. Backwoods pokes Bobby in the eyes. The ref warns BB. Backwoods attempt a chop, but Bobby moves and Bobby chops Backwoods again! Bobby then hits a backbreaker on Backwoods. He covers BB, 1, 2, no. Reaper points and yells through the bottom ropes. Bobby points and yells back. Bobby sends Backwoods into the corner. Bobby runs over and is booted in the face! Backwoods cringes his face and clotheslines Bobby inside out! Backwoods attempts a backbreaker of his own, but Bobby reverses it and hits an enzuigiri. This sends BB into the corner. Bobby puts BB on the turnbuckle. Bobby chops BB. It was so loud. Bobby climbs up and wants to do a Spanish Fly on BB, but Backwoods shakes his head. Backwoods headbutt Bobby and then hit a choke slam from the top rope on Bobby! The fans loved that. Bobby bounced to the ropes and lay half on the apron. Redneck Reaper stalks slowly over, but the ref sees him. BB climbs to the apron and hits a Death Valley Driver on Bobby on the apron! The fans groan! Bobby should cover but instead puts Bobby in the tree of woe. Bobby tries to hit a dropkick, but Bobby moves. This causes BB to split the turnbuckle. He yells out in pain. Bobby laughs and hits a double stomp to the back of BB's head! Bobby pulls the heavier Backwoods away from the ropes to cover, 1, 2, No! Bobby hits a Sling Blade on BB. Bobby then tries a running Spanish Fly again, but BB hits a short arm clothesline! BB then sends Bobby off and hits a tilt-a-whirl backbreaker! He covers, 1, 2, No! Backwoods then argues with the ref. Bobby pulls at the ropes to stand. This allows Redneck to punch Bobby in the face. The camera catches Redneck pulling a wrap of leather from around his fist. BB covers, 1, 2, No! The fans love that. BB calls for his finish. Bobby reverses and sends BB out of the ring with a head scissors take over. Redneck helps BB up. Suddenly out of nowhere, Bobby hits a springboard 450 on both Reaper and Backwoods. The fans cheer. Bobby tosses BB in the ring. The ref checks on BB. This allows Redneck to attack. He then tosses Bobby in. The ref sees this. He then tosses Redneck out of ringside. The fans erupt. While this happens, Bobby is on the top rope. Rooster attempts to shove Bobby off, but Bobby hits an elbow to Rooster. Bobby then hits a 450 off the top rope onto Rooster on the outside! Bobby slides in the ring. Backwoods hits "Stump Stomp"! Backwoods covers, 1, 2, 3! **Backwoods Brawler wins the match!**)

Aldo: Here is your winner and the new #1 Contender for the All-American Championship...Backwoods Brawler!

(Fans boo this! Backwoods is helped up by Reaper and a stumbling Rooster. They celebrate as Bobby rolls out of the ring. Reaper yells into the camera in the ring "We told you! We win it all tonight! This man is the future American Champ." Then he laughs. Backwoods just gives the "waist swipe" and leaves the ring. Rooster and Reaper yell at a few fans as they walk up the aisle.)

(Cameras cut to Commissioner Jaxx's office. Former Head of Security Matt is on the small love seat with a green blanket over him. He's sitting there in fear. Two Rags2Riches security members are on the outside and two are on the inside. The door opens and Commissioner Jaxx walks through. Jaxx is on the phone with Detective James. A disturbed Matt tried to talk to Jaxx. The Commish holds his hand up and then ends the call. Matt speaks...)

Former Head of Security Matt: Jackson, where have you been? Why am I here? I want to be at home. Please. I want to go home. Let me go home. Please...

Commissioner Jaxx: *(Calming)* Just calm down. I have you here so I can keep an eye on you. If you go home, then that monster can get you again. Listen. I have all my guys here. You haven't touched your food. *(exhales)* Brother, I know you're scared. But you're home now. Grab some food, watch the show, and relax. Your wife is coming very soon...

Matt: Jean?? Where is she?

Jaxx: *(Calming)* Soon, Matt. Very soon. Now relax. I have to go do some things for the show. I will be back to check on you. Eat. I mean it.

(Jaxx leaves the room. He then speaks sternly to his security. Jaxx then turns. Rooster and Kraker are there in camera shot. Backwoods and Reaper then join them.)

Redneck Reaper: *(cringes.)* Yikes...Matt does not seem to be doing so well in there, huh?

Commissioner Jaxx: *(Breathes deeply and exhales.)* What can I help you with Reaper?

Redneck Reaper: Tell me you saw our boy win his #1 Contenders Match. *(Arm around Backwoods.)* This rascal did it! So how about inserting him in the title match tonight? He is #1 Contender so let it happen. Thank you.

Commissioner Jaxx: *(smiles and looks at Reaper.)* That's a good one. Yes, I am pretty busy tonight, but I did see the result of that match. A 3 Vs 1 match I saw. But the referee's decision is final. However, I am not giving Backwoods that match tonight. He will get his shot at Hell on Earth. And remember, should by some miracle Thrillbilly gets past Malcolm. Well...Backwoods will face Thrillbilly at Hell on Earth. So, I will get back to you on the stipulation.

(The group tries to leave...)

Commissioner Jaxx: Whoa, whoa, whoa...I'm not done. Since you helped yourselves to interfere in that match. I think the NPL Tag Team Champions here need more competition. So, for the Tag Team Championship Match. It is now a Triple Threat Tag Team Championship Match! *(Fans Cheer)*

Rooster: What?!!! That is bull crap! We earned these at Flashback, and we wanted to retire those Dante Brothers. You aint got no right!

Commissioner Jaxx: I have just the right. I own all this around you! I call the shots! If I were you I would walk to the curtain because that Tag Team Title Match is next! Now scoot.

(Jaxx points the other way. All four members give disgusting looks and walk away. Rooster is now gripping his title tightly. The camera gets a final shot at Jaxx.)

Commissioner Jaxx: That felt good. *(Smiles.)*

(The cameras cut back to the ring where Aldo Montoya is on the outside of the ring by the barricade talking to an attractive female.)

Bob Sapp: What is Aldo doing? I swear, Jim... we are the ONLY professional ones in this company. Let me get him...

(Bob Sapp takes off his headset and walks over to Aldo. Bob taps him on the shoulder. Aldo brushes him off. Bob shakes his head and taps again. Same result. Bob then pulls Aldo around and tells Aldo that "Party is over and go do his job.". Aldo looks at the hard camera like a deer in the headlights. Aldo awkwardly slides into the ring and straightens his suit. Bob gets a "Bobby" chant as he walks back to the announce desk.)

Aldo: *(Clears throat.)* Sorry Senorita. *(Smiles at the girl and then speaks.)* The next match is for the National Patriots League Tag Team Championships! And I am just being informed, it is now a Triple Threat Tag Team Championship Match! Introducing first... from the Deep South. They are the NPL Tag Team Champions, Kraker and Rooster!!!

(The same harmonica and dark southern toon sounds over the Tampa Arena. Kraker and Rooster walk out to the entranceway. Kraker is the bigger and more serious member of the group. Dressed in a camo jacket, brown cowboy hat, and torn jeans with the Tag Title around his waist. Kraker walks to the ring. Rooster is further behind cause Kraker yelled at Rooster for getting involved in the #1 Contenders Match which gave them two more opponents in the Tag Title Match tonight. Rooster is in his brown cowboy hat, longer beard and overalls on. His Tag Title is around his neck. They enter the ring and the fans boo them. Rooster stands on the apron getting into arguments with the front row of fans. Kraker just waits in the middle of the ring.)

Aldo: And their opponents...they are voted the NPL's Best Tag Team of All Time. Winners of multiple Tag Titles all around the world. They are Jonathan and Jaymz Dante!!!

(Their song blasts over the PA system. The fans jump out of their seats as Jaymz and Jonathan emerge on the stage. Dressed in their Tully Blanchard and Arn Anderson type jackets that say "BEST TAG TEAM IN THE WORLD!" on the back. They double high five and strut to the ring. They slap hands with the fans as the NPL's most decorated team leaps to the apron. They climb the turnbuckle and the fans cheer them. Rooster tries to attack, but the ref stops him. The Dantes take their jackets off and all four men await their surprise tag team.)

Aldo: And their opponents...I don't have a name Jim. Who is it?

(There is a blank black screen at the entranceway. A few seconds go by and...the Alpha Male's theme song blares and video flashes on the video board! The crowd is surprised! As well as the Dantes who accept and shrug. Kraker shakes his head in disgust and looks sternly at his tag partner. Rooster loses it and yells at the ref. Alpha Male #1 and Alpha Male #2 walk out. Then moments later Alpha Male #3 joins them. Red, white, and blue pyro shoots from behind the screen. They walk down the ramp to the ring.)

Jim Jones: Oh my god! The Alpha Males are getting a shot at the NPL Tag Team Championships!

Bob Sapp: They already wrestled tonight! Hello! Can you hear me, Jim?! It's so loud in here! Is this an advantage or disadvantage? Well...we are going to find out!

Aldo: Ladies and Gentlemen please welcome the other challengers, The Alpha Males!!!

(Alpha Male #1 and Alpha Male #2 enter the ring as Alpha Male #3 stands at ringside in full support of his brothers.)

Bob Sapp: The Alphas have had 2 other shots at the NPL Tag Team Titles and lost both chances...

Jim Jones: Is this a case of third time is the charm? This just got exciting!

(The bell rings. Alpha Male #2, Jonathan Dante, and Rooster start the match. The fans are STILL standing and cheering! Multiple chants of N-P-L chants and "This is Awesome". Rooster tries to hit a running clothesline on Alpha Male #2, but #2 hits a belly-to-belly suplex that sends him out of the ring holding his back. Kraker goes after his tag partner, but Rooster shoves him off. The cameras catch Alpha Male #2 in the best shape. He and Jonathan get close to each other. Jonathan is talking to #2. The Alpha Male smiles. Jonathan reaches out his hand. #2 goes to shake, but Jonathan attempts a kick, but Alpha catches his boot and delivers a T-Bone Suplex! The fans erupt. Jonathan holds his back and shakes his head in respect. They then lock up. Jonathan gets the headlock. They then go down to the floor. #2 does a few amateur moves and gets the advantage. #2 lays down a takedown and Jonathan floats #2 over with a hip toss. #2 pops up and looks at Jonathan who gets the better of #2. Alpha Males and the Dantes are old rivals. They then talk trash to each other in the middle of the ring. Then Rooster comes running in. Jonathan and #2 punch Rooster in the gut and hit a double Russian Leg Seep. Jonathan pops up and annihilates #2 with a hard clothesline to get the advantage back. Jonathan tags Jaymz in. The former World Champion works on #2's shoulder. The fans are really behind the Alphas now. #2 escapes with an amateur wrestling takedown. Now Alpha Male #2 has the armbar on Jaymz. That quickly! Jaymz escapes and chops #2 a few times. Rooster is then chopped as he gets in. Chop after chop until Jaymz hits a spinebuster on Rooster. Alpha Male #2 gets a spinebuster of his own. The fans clap for Jaymz in appreciation. Jaymz tags in Jonathan. The other Dante tries to clothesline Rooster, but he ducks. This allows Alpha Male #2 to hit a belly-to-belly suplex over the top rope! Jonathan crashes to the mat. As Alpha turns Rooster hits a high knee to #2's face! Kraker then suplexes Jonathan on the metal ramp! The noise was very loud! Kraker felt hurt too. He then tosses Jonathan into the barricades and then into the side of the ring! Jaymz comes over and elbows Kraker in the face.

This allows Rooster to come over and attack. All 4 men are now brawling on the outside. This allows Alpha Male #1 to leap off the top rope in a moonsault! All 5 men are down. The fans are chanting "This is awesome" repeatedly. Alpha Male #2 retrieves Jonathan and tosses him in. Alpha Male #2 covers, 1, 2, no. #2 tags in #1. Bob Sapp: I have never seen a better form of sportsman ship in all my career. The story of the Alphas Vs the Dantes is Legendary, Jim.

Jim: Sure, and the Dantes have owned the Alphas...until tonight. The Alphas 4-year journey has come to this moment! Here at Boiling Point the Alpha Males are NPL Tag Team Champions!

Bob Sapp: The Dantes have fought so hard to elevate the tag division here in the NPL. To their credit they have! But tonight it was the Alpha Males night!

Jim: Indeed. Well fans of the NPL, our colleague, Juice Robinson was our tag team match expert. He is not with us tonight. He is resting at a local medical facility. He has a home here in

Tampa. Our very own Katie Quinn was able to get a few minutes with him and we warn you...it was a bit disturbing...

(The cameras cut to a feed of Katie Quinn getting her mic placed on her dress. Then Juice Robinson is sitting up in his hospital bed. Juice is looking up at the bright light above him. Katie speaks...)

Katie Quinn: Juice? Juice? Are you okay?

(Long Pause)

Katie Quinn: Would you like to tell us how you are feeling?

(More pause as Juice never breaks his look up from the bright light.)

Katie Quinn: Juice...there are a number of us at the NPL that miss you and are pulling for you to get better. You scared us all at the PPV Hype Show Frontline when you ran off the set and you were then struck by that car.

(Juice still looks at the light.)

Katie Quinn: Juice...I know what it's like to go through something traumatic. That...monster. The one they call the Dark Figure. He scared us all. Forced us to...

Juice Robinson: *(Dismissive)* What do you know about being scared? I'm perfectly fine, Samantha. Stop worrying about me!

Katie Quinn: *(Confused)* Samantha? I'm your friend from work, Katie. Samantha is your wife, Juice.

Juice Robinson: *(Smirks)* Oh...right. Yes. Katie. As long as I stay in the light, it won't hurt us. You know this...

Katie Quinn: *(Worried)* Juice, please. Don't let that monster take control. He is not here. You have Rags2Riches Security here. You are safe. Doctors and Nurses are here to help...

(Angry and full of rage in his face. His voice drops deep and he yells!)

Juice Robinson: I DON'T NEED YOUR HELP!!! *(Voice turns soft)* He will make it ALLL better!

(Juice re-enters his trans and looks back up at the light.)

Katie Quinn: Juice, please.

(An older redheaded nurse with lots of make up speaks.)

Nurse: Miss...Mr. Robinson needs his rest.

Katie Quinn: Okay, my crew will leave...we just want Juice to get better.

Nurse: Don't worry, he will get better. Trust me...

(The nurse guides the camera man and Katie out of the room. As the nurse shuts the door slowly she smiles VERY BIG and Sinister. Katie looks at the camera and speaks...)

Katie Quinn: Did you see that? Do we leave? *(Pauses)* The PPV is tonight...he is being taken care of here...get better Juicy. I can't leave, Phil.

Camera Man Phil: You must be there at the Pay Per View. Who's going to interview?

Katie Quinn: *(Looks down and speaks.)* You're right...We'll come back after my last interview. Juice needs us, Phil. We have to be there for him.

(Katie sits down as Phil cuts the feed.)

(Back to the arena, Aldo speaks...)

Aldo: Ladies and Gentlemen...grandson.

(Fans Cheer as performing artist grandson begins to perform "Blood // Water". The stage is lit up, and laser lights flash over everything. The fans love the song. In the background the LED screen flashes different NPL wrestlers. Loud cheers for the faces and boos for the heels. The song ends and immediately the ominous harmonica sounds and then the dark country music plays over the arena. The fans boo as Thrillbilly enters the stage. He sees grandson and shoves him back into the rest of the band. Grandson holds his guys back and shakes his head. Thrillbilly points at him and walks to the ring. Dressed in his red flannel cut off shirt, long greasy hair, tattoos down his arms, and ripped blue jeans, he slowly walks to the ring. Fans yell at him and hold up unflattering signs. Jim Jones: Wins?! The bell hasn't even rung yet! M&M is one of the hottest wrestlers in the NPL today and momentum is on his side. You see what happens when he is doubted.

Bob Sapp: Luck is for horseshoes and hand grenades. That bomb goes off tonight and M&M's luck ends...

("Get it All" by DecadeZ sounds. The fans erupt! M&M's blast all over the video board. Malcolm appears with a cannon in his hands. He fires it off and hundreds of M&M's shoot out of it. Thrillbilly then hits a side slam on Malcolm on the ramp! The sound was loud. Thrillbilly still is stone faced. He gets Malcolm in the ring. The ref pushes Thrillbilly back. The ref checks on Malcolm. The ref asks if Malcolm can go. M&M says, "Bring the smoke." As he pulls himself up by the ropes. The ref to his objection calls for the bell. The match begins. Aldo: Tampa, Florida...I have just been handed a note from our commissioner. This next match is now a Falls Count Anywhere Match! Introducing first...from Dallas, Tx. He is a former 4-Time NPL World Heavyweight Champion. He is the "Texas Outlaw" Duke Ken Jr!!!

(The lights drop and laser lights flash around the entrance way. "Triumph of King Freak" by Rob Zombie sounds over the arena. The fans boo loudly as Duke Ken Jr walks out from the video screen. Dressed in his Stetson, black sunglasses, long black trench coat, and ring gear on; he stands at the entranceway. He smiles as the fans continue to boo. Marcus Scurll isn't with him. Which is unusual. Duke walks to the ring and enters. He climbs to the turnbuckle and boasts to the crowd. He smiles and disrobes. He looks to be in great shape as he stands ready for his opponent.)

Aldo: And his opponent...he is a former 2-Time NPL World Heavyweight Champion. He is the Patriot: Ric Splatterhouse!!!

(The fans cheer as the lights go out and pyro shoots from the stage AND out of the posts around ringside. Duke never breaks his look to Splatterhouse. And in turn, Splatterhouse never turns away from Duke as he slowly walks around the ring. As if to stalk his prey. Dressed in an orange jumpsuit that has prison numbers and "Splatterhouse" on the back, and wearing the usual mask over his face. Splatterhouse pulls up on the top rope, steps over the top rope and both men go face-to-face. The ref gets between them after a 30 second pause. They go back to their corners and the ref calls for the bell.)

(They circle each other and as Splatterhouse walks at Duke, he slides out of the ring. The fans boo. Splatterhouse tells Duke to "come on". Duke slowly gets in. After 5 punches, Splatterhouse throws one punch and Duke tumbles through the crowd. Splatterhouse then punches Duke a few more times. Duke gets to the ledge. Splatterhouse wants to toss Duke off this ledge to the floor that is 20 feet from the ground. But Duke kicks Splatterhouse in the nuts. The punches weren't working. Duke slowly climbs off the ledge. Splatterhouse follows him like a horror movie killer would do. Splatterhouse catches Duke and tosses him well over the barricade and onto the steel ramp! The noise is so loud! Duke yells in pain. Splatterhouse is having trouble walking. This allows Duke to grab a steel chair from the crowd. Duke annihilates Splatterhouse. Then again. And again. After 5 chair shots, Splatterhouse goes to a knee. Duke tries for #6, but Ric chokes Duke and Chokeslams Duke very hard on the steel ramp! Duke's head bounces off the ramp. Duke looks like he is out. Splatterhouse slowly walks around to get feeling into his knee. Duke slowly stirs on the ramp. Splatterhouse very slowly runs at Duke. The Texas Outlaw throws the chair and it hits Ric in the face. Duke places the top of the chair against Ric's face. Duke kicks Ric's hurt knee and Splatterhouse falls face first only the chair jars the ramp! Splatterhouse's mask starts to break. You can see his left eye more now. 1/4 of the mask is broken off. Splatterhouse is laying on his back. Duke picks up the chair. As he does, Ric sits up. This causes Duke to hit Ric on the top of the head. Three more times. On the broadcast, Bob Sapp is keeping count of the chair shots. The next shot is harder than the last. 10 chair shots. Duke raises the bent chair and the crowd boos him. Duke attempts to execute #11, but Splatterhouse grabs the bent chair and tosses it into the crowd! The fans groan. Duke then tries to run off, but Ric tosses Duke violently into the barricade! Then again! He picks up Duke in a sleeper hold and dangles Duke over the edge of the ramp. Duke struggles until he goes limp. Splatterhouse shakes his head 'no' as he tosses Duke like a rag doll across the entranceway. Duke looks to be out...again. Splatterhouse picks up the dead weight Duke and tosses him like a lawn dart through the side of the LED board!!! The fans LOVE THIS!!! N-P-L they chant repeatedly! About 2 minutes go by because Splatterhouse is really having trouble with this knee. Suddenly, white spray shoots out of the hole Duke went through. Duke sprays a fire extinguisher residue into Ric's face. This allows Duke to swing another chair. He connects with shot #11-16!!! Splatterhouse just stumbles back. Duke runs over and its Gorilla Press Slammed on the ramp! Duke is yelling in pain. Splatterhouse

adjusts his make and drops to his knees. Splatterhouse covers, 1, 2, no! Duke rolls his left arm up. Splatterhouse grabs the steel chair and Duke's right arm and drags him down the ramp to the ring. The chair is tossed in the ring and goes in next. Duke begs for Splatterhouse to stop. Splatterhouse ignores this as he kicks Duke in the face. Splatterhouse runs at Duke in the corner, but Duke dropkicks the same injured knee. Duke then attacks the knee. Using the chair on the knee and then to the face! #17. Duke then takes the point of the chair and smashes it into the knee of Splatterhouse. Duke then snakes the chair into the knee and stomps on the knee over and over. The monster rips the chair off. Duke charges and Ric throws the chair into Duke's face! Both men are down. The crowd chants "This is Awesome" repeatedly. Duke and Ric get up at the same time. Splatterhouse tries to chokeslam Duke, but Duke kicks Ric's knee. The monster buckles. Duke then slaps on the "Texas Cloverleaf". Ric is in the hold for about 90 seconds until he powers out. Both are up and Splatterhouse hits a side slam on Duke. He covers, 1, 2, no! Splatterhouse then tries to hit "Fall from Grace", but Duke slides over and elbows the back of Ric's hurt knee. Duke hits "Whiskey in a Jar" stunner. Duke covers, 1, 2, no! Duke is shocked. The fans cheer. He then angrily gets the steel chair and waits for Splatterhouse to get up. As he does, Duke strikes him again in the head for #18! Duke then walks over to Splatterhouse's mask and rips it off. Ric has blood coming off the mask and on his face. The fans gasp. Duke then waits for Splatterhouse to get up. As the monster goes, he swats the chair away and chokes Duke. The choke lasts for a while. Duke turns a different shade. Splatterhouse then choke slams Duke to the mat. Splatterhouse stumbles to the corner. He wipes the blood out of his face. Suddenly a Splatterhouse fan jumps on the apron. He pats Ric on the back. Splatterhouse shoves him. The fan then pulls out a taser and presses it to Splatterhouse's neck! The monster stumbles back. The fan then does it again only for longer! The fans are shocked. Splatterhouse falls to the mat. The fan rips off the Splatterhouse mask and it's...Marcus Scurll!!! The fans give a mixed reaction. He helps Duke stand up. The camera is placed to where Splatterhouse sits up. Both Marcus and Duke are shocked. Marcus then shocks Splatterhouse again with the taser. Duke blasts Splatterhouse again 4 more times! #22. Duke covers, 1, 2, NO!!! Splatterhouse shoots his shoulder up. Marcus pulls out handcuffs and he handcuffs Ric to the ropes. He then holds Ric. Duke yells at Splatterhouse to give up. "The pain will end". Splatterhouse smiles sinisterly and tells Duke to bring it! Marcus then tases Ric as Duke takes the chair and hits Ric many more times until Duke gets tired. #25. Splatterhouse chest is smoking and black. Splatterhouse wakes and breaks the handcuffs from the ropes. Duke blasts Splatterhouse in the face. Blood runs down his face. Ric now looks to be unconscious. Duke covers him and so does Marcus. 1, 2, 3! **Duke Ken Jr defeats Ric Splatterhouse.** Duke and Marcus embrace and celebrate in the ring.)

Aldo: (Disturbed and low toned.) Here is your winner... "Texas Outlaw" Duke Ken Jr...somebody get a doctor.

Jim Jones: Never in my life have I seen a human being get treated that way...

Bob Sapp: Human being? Splatterhouse is a monster. How do you defeat a monster, Jim? You just saw that in action. You saw what T-Money had to do and now...

Jim Jones: Now what? Marcus that *(Bleep!)* tased Splatterhouse nearly to death and Duke used that chair, what, 25 times?! Winning a match is one thing, but this was inhuman!

Bob Sapp: It's No Holds Barred, Jim. They knew what they were signing up for. Sure, it was barbaric, but one man had to win. The Texas Outlaw won. None of you saw that happening. So, jokes on you.

Jim Jones: Oh, listen to yourself! Ric is smoking! He's...oh my God!

(Splatterhouse then sits up. Duke and Marcus dive through the ropes and run up the ramp in disbelief and fear. The doctors and security beg him to stay down. Splatterhouse then begins tossing them around. Ric then hits a choke slam on Rags2Riches Security members. One takes a "Fall From Grace"! Blood on his face and blood on his chest, Ric looks angrily to the ramp and leaves the ring. He walks with a purpose up the ramp. Splatterhouse gets to the LED and punches a hole in the side! The cameras follow both Duke and Marcus. The Arch Villain tells Duke he has their stuff in the car. They get in the car and drive away. Splatterhouse hobbles after them in the parking lot. They drive away. Splatterhouse screams loudly. He sees a ring crew guy and tosses him on the hood of a car. Then he kicks open the door and walks down the hallway.)

(Cameras catch up to Splatterhouse. He annihilates the Rags2Riches Security guys who are guarding the Commissioner's office. Ric then annihilates the last two guards. Splatterhouse sees former head of security Matt. He grabs Matt by the neck and yells at Matt.)

Splatterhouse: WHERE'S THE COMMISSIONER!!!! TELL ME!!!!

Matt: *(Scared and wide-eyed)* Puh-lease sir...let me go. You're hurting me....ahhhh....

Commissioner Jaxx: *(Calm but stern.)* Let him go.

(Splatterhouse lets him go aggressively and then grabs Jaxx by the collar of the suit. He then holds Jaxx on the wall.)

Splatterhouse: I want to bring hell to Duke!!! I'm going to kill him!!!

Commissioner Jaxx: Alright, Ric. Alright. I saw what happened. I want to help you. And I will give you what you want. Only if you take your damn hands off me.

(Splatterhouse breathes and lets Commissioner Jaxx go.)

Commissioner Jaxx: I realize now that I have no choice...I have tried to help that kid for years. I zig; he zags. Enough is enough. At Hell on Earth in October. The two of you will go one-on-one in a Devil's Playground Match. *(Exhausts and looks down in disappointment.)*

Splatterhouse: Duke better make a will because he isn't making it out of Hell on Earth...

(Splatterhouse exits. Commissioner Jaxx checks on a scared Matt. Cameras cut to the NPL Announce team.)

Bob Sapp: Did you hear that? Devil's Playground? Commissioner, Duke fought within the rules of a No Holds Barred Match and now you want to let this creature destroy the Wrestler of the first 100 cycles? Businessmen don't do that. Commissioner, Duke makes you M-O-N-E-Y. Money.

Jim Jones: You heard him...enough is enough. Duke and Marcus have stirred up a hornet's nest. That regret will be felt after Hell on Earth, just you watch. Aldo take it away... *(Jim shakes his head.)*

Aldo: It is now time for the Main Event of the Night! *(Fans Cheer!)* It is for the National Patriots League World Heavyweight Championship!!! *(Fans Cheer again!)* Introducing first, the challenger...he a former 2-time Heavyweight Champion...is the Big Ticket. He is T-Money!!!

(The lights are dim. A video plays of America during the Civil War. African American men fighting for the USA. The history of black men and women and the struggles they had. Then several African-American men in dirty rag clothes, dirty hair, chains on their feet and hands walks on both sides of the ramps edge. They look down. "100 Black Coffins" by Rick Ross plays over the sounds system. A large man walks around the videoboard. He is dressed in all black western gear. Black hat, button up shirt, black pants, and wrestling boots. The man looks up and it's T-Money. He pulls out keys from his satchel and unhooks one of the men. T gives the keys to that man and embraces him. The man un hooks the chains and they celebrate as T tosses money in the air to them. They celebrate as "Long Live the Chief" by Jidenna. T-Money tosses the hat in the crowd. Rips off the button shirt and walks to the ring. He enters and hypes up the crowd. The fans love T. He jumps down and gives the "Come on" gesture.)

(Cameras cut to the back where Man Mountain Meat is yelling at all the members of his group. From Kraker and Rooster losing the Tag Team Championships to Thrillbilly coming up short in the All-American Championship Match.)

Man Mountain Meat: *(Red faced and angry)* You all failed this family! Worthless! Every single damn one of you!

Backwoods Brawler: Hey I won tonight, I...

Man Mountain Meat: SHUT UP!!!! *(Breathes.)* Tonight...I pull the weight of this family. Like I always do. You watch on that there Tv. And you see how it is done. I'm going to beat this boy up and send him back to New York City. Do NOT come down to that ring. You hear me?!

All: Yes sir...

(Man Mountain Meat turns around and walks through the Gorilla Position...)

Aldo: And his opponent...from The Deep South. He is the current, reigning and now defending National Patriots League World Heavyweight Champion...Man Mountain Meat!!!

(The fans boo as the harmonica sounds over the arena. Man Mountain Meat roars loudly as he raises his arms! Pyro shoots up behind him. Dressed in red flannel, jeans, black boots, slick back hair, and the World Heavyweight Championship around his waist. Meat power walks to the ring and enters. He rips off the title, raises it to the fans and roars again! The fans give a mixed reaction. He gives the title to the ref. Meat then spits on T-Money's chest. The Big-Ticket lunges at Meat. The ref breaks them up and calls for the bell.)

(Both men jump at each other punching each other repeatedly. The fans love this. Both men are shoved back by the ref. Both men then lock up. They stay locked up. For so long that they tumbled over the top rope. T is up first. He sprints to Meat and the champ hip tosses T onto the steel steps! T holds his back in pain. Meat then slams T against the barricades and the announce table. The fans chant T's name. Meat then runs at T and T hits a spinebuster on the floor! T pops up and he hypes the crowd. T then places Meat on the barricade. Meat then rakes T's eyes. The Big Ticket backs up but then spears Meat off the barricade! Meat hits his back and head on a couple of steel chairs! Both men are laying on the concrete floor. T then has a hard time picking up Meat. Not just because he is a bigger guy. But also, Meat is somewhat out. T muscles Meat over the barricade. T then looks to the crowd and acts like Meat was a chore to lift over the barricade. They laugh at him. Meat knocks the cobwebs off. He then pulls T into the steel pole! Meat then tosses T back in the ring. Meat picks up T and rams T into the corner. Meat drives his shoulder repeatedly in the gut. Meat then slaps T arrogantly and then violently. Meat then hits a Gut Wrench Suplex. Meat covers by pushing T's face down and not hooking a leg. 1, 2, no. T shoves Meat off him. Meat then slaps around T in the back of the head. Before T can react, Meat slaps on a Sleeper. Meat talks trash to the crowd, T and then tells the ref to ring the bell. T starts to fade. The crowd gets very loud to get T back in it. He responds. T breaks out and bounces off the ropes. T throws his body at Meat in a shoulder tackle, but Meat doesn't move. T comes off again. Meat clotheslines T so hard that the Big-Ticket folds up on the ground. Meat looks at the crowd and growls at the crowd. Meat calls for the "Meat Sickle". T-Money swats Meat away and starts throwing haymakers to Meat's large head. Repeatedly, he punches Meat back against the ropes. T sends Meat off and T tries a spear, but Meat catches T and hits a spike DDT! Meat covers, 1, 2, no! Meat then climbs up to the top rope. Something he doesn't do. Meat leaps off and hits a Big Splash on T! He covers 1, 2, no! Both men up and Meat lays into T. The Big Ticket is sent off the ropes and Meat hits a Spinning Heel Kick on T-Money! An impressive move! T rolls out to the apron. Meat then hits a Big Boot to T's face. Money falls to the floor. Meat comes out and tosses T back in. Meat comes off the ropes and splashes T's back. He covers, 1, 2, no! T's shoulder shoots up. Meat Irish Whips T so hard to the corner that T bounces off and falls to the mat. Again, Meat does this. Meat then hits a knee drop to T's face. Meat then tosses T in the corner. He chops T. Then T punches back. T runs at Meat and is quickly Powerslammed to the mat! He covers T, 1, 2, No! Meat then yells at Referee Clyde. Meat climbs the opposite rope and attempts a flying headbutt from the 2nd ropes. But T moves! T tries to scoop slam, but Meat falls on top of T. He covers, 1, 2, no! T winces in pain. Meat then kicks T in the back. Meat then hits Bossman Slam. Meat doesn't cover. He waits for T to get up. Meat then hits "Meat Sickle" on T!

*Meat makes the cover, 1, 2, NO! T kicks out very late! Meat then gives the cutthroat with his thumb. He tries to hit “Meat Sickle” again, but T slides out. He comes off the ropes and Spears Meat! T covers, 1, 2, No! Meat kicks out! T then pulls Meat up. T then signals for “Hail Mary”, but Meat hits a Tiger Suplex on T. Both men are now down. We are now approaching the 25-minute mark. As they both slowly stand up, they trade wild haymakers. Loud punches to each other’s face. Meat shoves T off the ropes, Meat misses a clothesline, and T Spears Meat again. Quickly T gets Meat up and hits a “Hail Mary” Release Powerbomb. T then hits another one! T then rolls Meat up for the 1, 2, 3! **The fans erupt as T-Money becomes a 3-Time World Heavyweight Champion!***

Aldo: Here is your winner and... New National Patriots League World Heavyweight Champion...The Big-Ticket T-Money!!!

Jim Jones: A one-year journey of climbing the steps of Olympus only to get to the top and become champion again! T-Money is the new champion here in the NPL.

Bob Sapp: Personally, I’m hating this, but professionally, T-Money did win back the most prestigious title in our league. He was injured a year ago at the hands of Ric Splatterhouse. Those two men fought all last year from hell and back. T-Money earned this match by baiting Meat into it. And to Meat’s stables credit they did NOT come out to interfere.

(T-Money is presented the NPL World Heavyweight Championship by Referee Clyde. T accepts it with tears in his eyes. As he holds it up pyro shoots off behind him. Suddenly Meat’s faction comes running down to attack him. Reaper, Backwoods, Kraker, Rooster, and Thrillbilly. All 5 men kick T on the mat. Then both Malcolm Mack, Justice Mack, and even Entourage come running down to enter the fight. All these men are brawling in the ring. Rags2Riches Security come down and try to break it up. Commissioner Jaxx is in the middle of it trying to stop it.)

Jim Jones: We hate to end this amazing PPV like this but join us in October for Hell on Earth Live from Baltimore, Maryland. For Bob Sapp, Katie Quinn, and myself, Goodni...

(Thrillbilly and Malcolm tumble over the announce table. This disconnects the mic from Jim Jones. As the cameras slowly pan out the lights in the arena flicker. A static sound blasts over the arena. This stops everyone from fighting. The 25,000+ fans, wrestlers in the ring, security, and announces turn to the giant LED board...)

(The feed shows a camera looking down at a flickering light in a hallway. The shot turns to the wall that says, “Tampa Hospital Floor 6.” Slowly the camera guy is walking down the eerie hallway. You can hear the camera guy whisper... “Katie. Kate? Where are you?”. It’s very silent. Then suddenly you hear a loud scream! The cameraman runs down the hallway. The scream came from a corner room. It’s Juice’s room! The shot shows nurses unconscious on the floor. A doctor hanging halfway out of the window! The monitor for Juice is flatlining. The camera moves to Juice’s bed, but Juice isn’t there. The cameraman sees Katie Quinn in the corner curled up, freaking out and crying.)

Cameraman: Are you okay? I was gone for 20 minutes!

Katie Quinn: It's here! IT'S HERE!

Cameraman: Who's here?!

(The lights flicker in the hospital room. The Tv volume is now turned up loud to static. The cameraman turns off the tv. You then hear a booming noise coming from the hallway. The cameraman is freaked out now. He slowly walks to the hallway. A blurry person is standing under the only light in the hallway. The cameraman zooms in. It's the Dark Figure! Dressed in all black with long dreadlock hair. The Dark Figure wipes his mouth with two fingers making his bright smile...red. As in Blood red! He waves at the cameraman. Then the Dark Figure punches the only light above him. It shatters and goes out. This jars the camera shot. The moonlight shining through is the only light. We hear running footsteps and then the Dark Figure's face is close up in the camera. The camera falls on the ground. You hear the camera man yell and then there's a thud. Two feet then appear in the shot. The camera is picked up. The Dark Figure pulls the camera to his face and speaks...)

Dark Figure: Jackson...You will see me again...no one is safe. *(The Dark Figure smashes the camera!)*

(Back in the arena Commissioner Jaxx is in shock. The rest of the arena is nearly silent. As all the wrestlers stopped fighting and walked away from the ring. Commissioner Jaxx is on the phone. The show goes black in silence...)
