# PIPER'S PIT

"Rowdy" Roddy Piper is in the Pit and he's got Mainframe on the hot seat! The SVL Computers Specialist tried to stay cool, but Piper wasn't in the mood to hear any excuses. He wasn't here for answers... he was here to make a statement!

**PIPER:** Mainframe, a man that can hack into any system, crack any code, and shut down any network in the world... but tonight, you're gonna get shut down in Washington, D.C.!

**MAINFRAME:** Now hold on just a second, Piper. This isn't about computers, this is about strategy and—

**PIPER:** Strategy? You don't need strategy when you're standing across the ring from a patriot! You need to worry about whether or not your circuits can handle the beating I'm gonna deliver!

**MAINFRAME:** I'm prepared for any opponent. I've analyzed the data, the odds, the weaknesses—

**PIPER:** Data this! Odds that! Weaknesses, huh? The only weakness I see is that helmet you're wearing 'cause it ain't gonna protect that pretty face when I start swinging!

**MAINFRAME:** This is unnecessary, Piper. I came here to compete, not to be insulted.

**PIPER:** Insulted? Oh, I ain't just insulting you... I'm educating ya! You think you're the mainframe of the SVL, but at Patriot's Day, I'm gonna reboot your system!

**MAINFRAME:** You'll regret this, Piper. I don't respond well to threats.

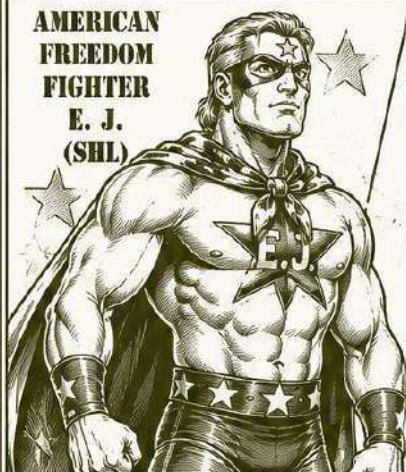

Piper cut him off right there and then! He dropped the mic and unleashed a flurry of rights on Mainframe! Security rushed the Pit, but Piper made his point loud and clear!

**SCARLETT**  
(SVL)

Scarlett proved once again why she sits atop the Money Makers division. Countess Jade pushed the champion harder than many expected, but one perfectly timed Spear ended the challenge and kept the championship in SVL hands.

Scarlett barely had time to celebrate before Tammy Lahren stormed the ring, driving a steel chair into the champion's back. Official's flooded ringside as Lahren stood over Scarlett, making it crystal clear that Fright Night won't just be a championship match...it's personal.

**KEYZOR SOZA**

For months, Keyzor Soza had listened to the doubters. They questioned whether he truly belonged among the elite after arriving from the Super Hero League. Across the ring stood former Triple Crown Champion "The Samoan Nightmare" Manuia, determined to reclaim the championship he once ruled.

The battle lived up to every expectation. Neither man gave an inch as the championship swung back and forth before Soza finally found the opening he needed, putting away Manuia in the center of the ring to retain the Triple Crown Championship.

## ★★ AFTER THE MATCH... ★★

Road Pig and Monkeywrench charged the ring without warning, blindsiding both exhausted competitors. Chairs, boots, and fists flew as security desperately tried to restore order. The Dreadnoks stood tall over champion and challenger alike. As the cameras faded to black, one thing had become painfully obvious...

### **Rewarding the Deserved**

(The Huflix logo appears on screen and then fades away. The opening credits to SHL Monday Night Madness roll. The livestream abruptly cuts off. The Super Star Destroyer *Opulence* comes into view. Those watching get a close look at the golden juggernaut. The video jump cuts to the ship's interior. The SHL livestream production crew is led by a squad of Royal Court Stormtroopers to the newly christened indoor 50,000 seat arena known as *The Crown Jewel*. The team enters a full-blown jumpacked, rabid, boisterous sold-out crowd consisting of *Opulence*'s off duty troops, pilots, and other crew members. The squared circle is converted to a stage filled with royal servants. The Gray Jedi symbol flashes on the screen and the crowd is whipped into an uncontrollable frenzy. The royal honor guard marches down the walkway with military precision and surrounds the converted stage. On cue the royal symphony breaks into the royal ceremonial march theme. Queen Maladi, Duchess Talon, Countess Jade, Baroness Vestara, Lady Lumiya and Assassin Atroxa walk with dignity flanked by well-armed stormtroopers. Jade is clad in her dress uniform signifying her rank as Supreme Commander. Atroxa is fitted with the red uniform reserved for high commanders in the royal army. The rest are outfitted with flowing silk gowns encrusted with jewels and diamonds. When the six Gray Jedi sisters take the stage, a royal servant presents Queen Maladi with a microphone then makes himself scarce. The crowd settles into silence as Queen Maladi speaks.)

Queen Maladi: "Welcome my royal subjects to the opening of *The Crown Jewel*. I've been anticipating this day for quite a while . Construction was halted many times and finally our royal arena has opened its doors. Tonight, three deserving sisters will be rewarded beyond their wildest desires. As you know, loyalty is the attribute of greatest importance to the Royal Court. My sisters are loyal to me just as I am to them. These five women have proven their loyalty

repeatedly and for that, I am humbled and forever grateful. Tonight, a new era emerges in the Royal Court's storied history. I call upon Duchess Talon our beloved sister scholar to begin recording of this ceremony so that future generations can bear witness to this historic night."

(A royal servant passes a moderate sized, clear, interactive holocron to Talon. The Duchess opens the sacred artifact with her mind. A radiant golden beam shines showing recording has started.)

Maladi: "I call upon Supreme Commander Jade to present the first sister with a new title that has been long overdue."

(Jade gracefully marches to center stage and begins talking in her authoritative voice)

Countess Jade: "Thank you Your Majesty. I have fought countless battles as a military officer. I had the honor and privilege of serving with some outstanding soldiers. Without a doubt, this sister personifies exemplary courage, leadership, battlefield brilliance, and competence. She has served as a combat trainer. Her albitites and methods transform the ordinary into extraordinary weapons. She has long been known as an assassin, but that title no longer will suffice.

Therefore, with the permission of Her Majesty Queen Maladi, as Supreme Commander of the Royal Armed Forces, I hereby appoint you, sister Atroxia as Grand General of the Royal Army. Grand General Atroxia step forward."

(The six foot Chiss steps up and faces Countess Jade. Jade is handed the Grand General rank badge from an Honor Guard member. Jade pins the badge on Atroxia. The two exchange a salute and Atroxia returns to her place.)

Queen Maladi: "Lumiya, kneel before me."

(Lumiya scampers over to Maladi and dutifully kneels at the feet of her Queen.)

Maladi: “You have faithfully served me with unquestioned devotion. You have proven yourself to be my most loyal servant. You are my shadow, and my selfless protector. With you, I lack nothing. Without you, my heart would shatter. It is time. You will no longer be a simple lady. On this glorious night, I bestow upon you my faithful Lumiya the prestigious title of Marchioness. Rise.”

(The Marchioness rises and wraps the Queen in a long embrace. Lumiya bows deeply to Maladi and returns to her place.)

Maladi: “Vestara, come.”

(Vestara is clearly overwhelmed and overstimulated by the crowd and pageantry. She is trembling, crying, and shaking her head.)

Maladi: “It’s alright...it’s alright. Take my hand.”

(Maladi extends her hand. Vestara, with caution, takes it.)

Maladi: “Would I put you in danger? Would I do that to my baby mynock? Look...these fans...see? They showed up tonight for you.”

(The mob roars with approval and starts chanting Vestara’s name.)

Maladi: “Do you hear that my darling? They are cheering, you’re making them happy.”

(Vestara’s anxiety settles down and Maladi can feel Vestara’s joy rising in the Force.)

Maladi: “Vestara, the day I rescued you I was given a gift I did not know I needed. You lit a perpetual light within my dark, empty heart. Since I am Queen and you are my daughter. You will take your place at my side and set your destiny on a new path. You are no longer Baroness Vestara. As Queen, I hereby crown you as Princess of the Royal Court of the Gray Jedi.”

(The royal symphony begins playing the royal coronation theme. The Queen presents Vestara with the royal gold and diamond tiara upon Vestara's head. It is official. The Royal Court has a new princess. The fans erupt in celebration. The video fades out.)

## MAIN EVENT

For months, Keyzor Soza had listened to the doubters. They questioned whether he truly belonged among the elite after arriving from the Super Hero League. Across the ring stood former Triple Crown Champion "The Samoan Nightmare" Manuia, determined to reclaim the championship he once ruled.

The battle lived up to every expectation. Neither man gave an inch as the championship swung back and forth before Soza finally found the opening he needed, putting away Manuia in the center of the ring to retain the Triple Crown Championship.

★★ **AFTER THE MATCH...** ★★

Road Pig and Monkeywrench charged the ring without warning, blindsiding both exhausted competitors. Chairs, boots, and fists flew as security desperately tried to restore order. The Dreadnoks stood tall over champion and challenger alike. As the cameras faded to black, one thing had become painfully obvious...

THE ROAD TO FRIGHT NIGHT WILL RUN STRAIGHT THROUGH.

#### BATMAN VS. CHESS - PART II: DOUBLE KNIGHT

A cold rain fell across Gotham City.

Batman crouched atop the roof of an abandoned textile warehouse overlooking the waterfront. Three nights earlier, he had dismantled a CHESS smuggling operation. Two nights earlier, he had captured a courier carrying coded messages hidden inside chess pieces.

Tonight, he intended to find out who was behind them.

A faint sound echoed behind him.

"Good evening, citizen."

Batman spun. Standing on the rooftop was another Batman. Blue cape. Gray tights. Yellow utility belt. The bright yellow oval on his chest practically glowed in the darkness. The stranger smiled confidently.

"No need for alarm, old chum."

Batman stared. For perhaps the first time in his crime-fighting career, he was completely speechless. The stranger extended a hand.

"Batman. Batman."

Batman looked at the hand.

"I know."

"Splendid. Saves introductions."

Batman lowered his voice.

"Who are you?"

The stranger seemed genuinely surprised.

"Why, I'm Batman."

"You can't be."

"Yet here I stand."

The two Batmen stared at one another. Finally the stranger pointed toward the warehouse below.

"Would that be the warehouse occupied by a gang of criminal masterminds?"

Batman nodded slowly.

"CHESS."

The stranger gasped.

"CHESS?!"

Batman frowned.

"Yes."

"Not CHESS!"

"Yes."

The stranger folded his arms.

"Those fiendish fiends."

Batman resisted the urge to walk away.

Inside the warehouse, several trucks backed into loading bays. Men moved crates under armed guard.

Batman activated binoculars.

"They're loading weapons."

The second Batman produced a pair of binoculars from somewhere inside his utility belt.

"Weapon-loading scoundrels."

Batman glanced sideways.

"You carry binoculars in your belt?"

"Naturally."

"Why?"

"In case I need binoculars."

Before Batman could reply, the stranger pointed toward the loading dock.

"Observe."

A black limousine rolled into the warehouse. Several guards immediately snapped to attention. Batman focused his binoculars. A tall man exited the vehicle. Expensive suit. Silver cane. Black gloves. Pinned to his lapel was a silver chess rook. Batman's eyes narrowed.

"Rook."

The stranger gasped dramatically.

"The Rook!"

"Yes."

"A high-ranking CHESS operative."

Batman turned slowly.

"How do you know that?"

The stranger smiled.

"Deduction."

Batman wasn't convinced. Below, Rook entered the warehouse. The opportunity was too valuable to ignore. Batman fired his grappling line. The second Batman immediately fired one of his own. The two lines crossed. The two Batmen collided in midair. Both crashed into a stack of shipping crates. The warehouse erupted with alarms. Guards shouted. Spotlights ignited.

Batman groaned. The second Batman stood and dusted himself off.

"Well."

Batman glared.

"Well?"

"I suppose we have their attention."

A dozen CHESS operatives rushed forward. The stranger pointed dramatically.

"To battle!"

One thug charged. The second Batman produced a canister from his belt.

"What is that?"

"Anti-CHESS Bat-Repellent."

Batman blinked.

"That doesn't even make sense."

The canister exploded. A cloud of thick smoke filled the warehouse. Surprisingly, every thug within twenty feet collapsed coughing. Batman stared. The stranger smiled proudly.

"Never leave home without it."

The two Batmen disappeared into the smoke as CHESS operatives stumbled blindly through the haze.

Far above, hidden within the shadows of an office window, Rook watched them escape. He smiled.

"Interesting."

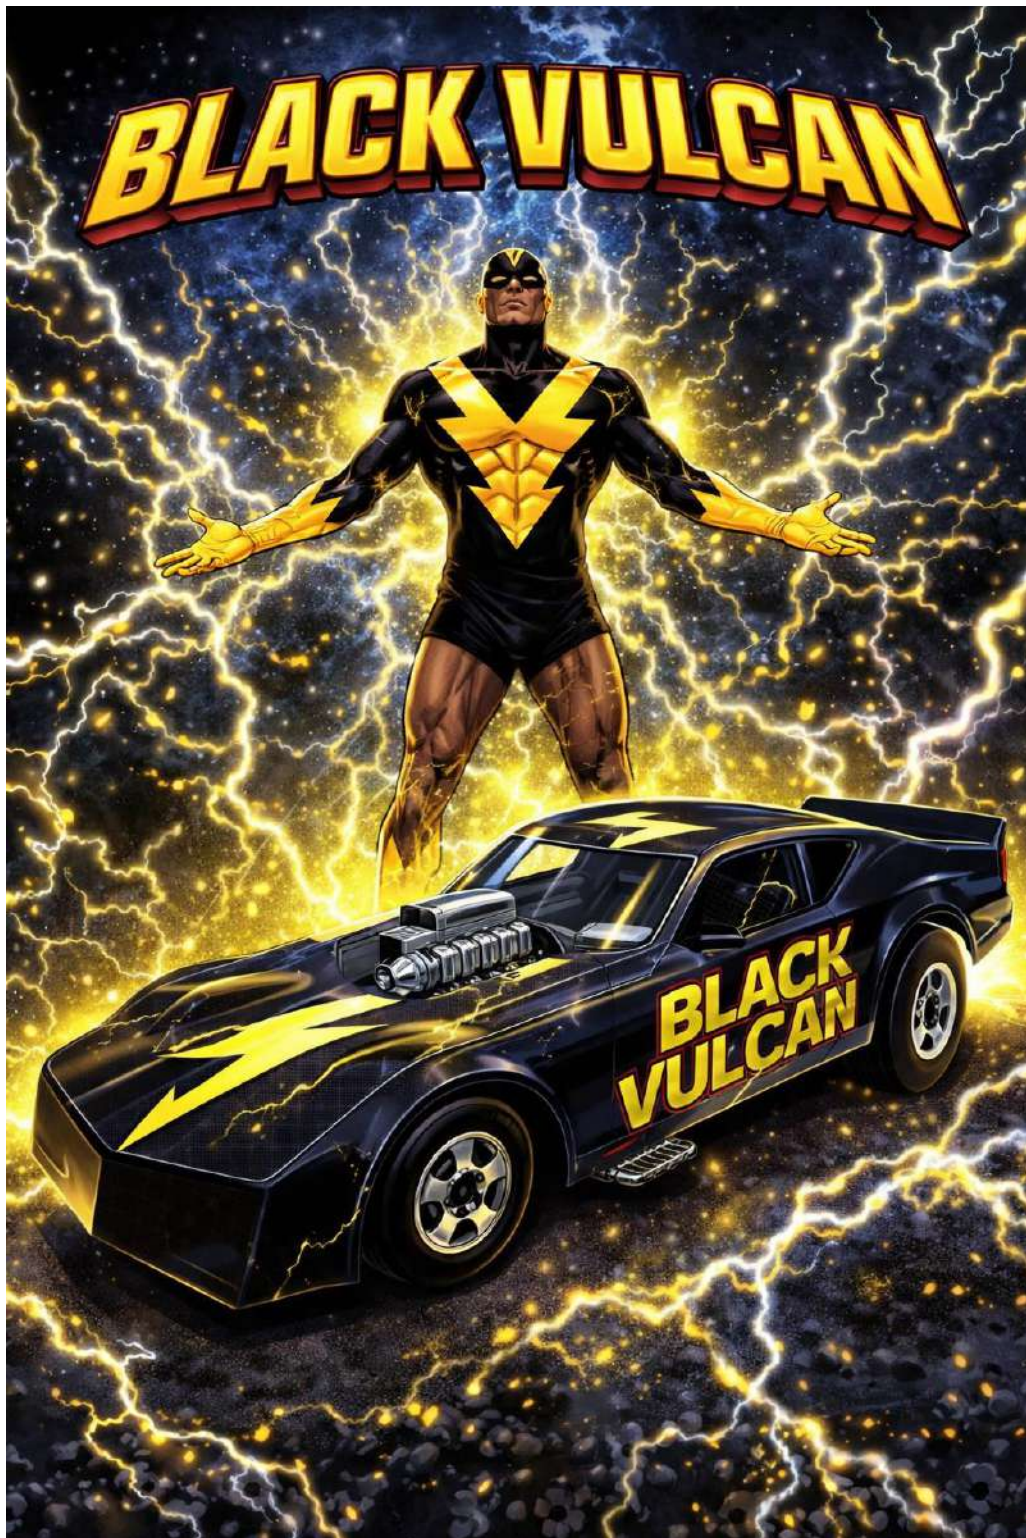

Then he picked up a telephone.

"Tell the King we have a complication."

Outside, Gotham's strangest alliance vanished into the night.

 **Narrator:** “In the Hall of Justice, two young heroes prepare for their greatest challenge yet. With courage in their hearts and teamwork as their strength, the **Wonder Twins** set their sights on the brightest champions in the cosmos, the Triple Crown Tag Team Champions, **Hal Jordan** and **John Stewart** of the **Green Lantern Corps!**”

**Jayna:** “**Zan...** we’ve challenged tough teams before, but this is different. **Hal Jordan** and **John Stewart** aren’t just champions, they’re legends. Two Lanterns, two rings, and the willpower of the entire Corps behind them.”

**Zan:** “I know, **Jayna**. They’ve defended the Triple Crown against every threat across the sectors. Villains, monsters, cosmic tyrants nobody’s been able to stop them. But that’s exactly why we have to face them.”

**Jayna:** “Right. If we want to prove that the Challenge of the Super Friends isn’t just a slogan... we need to stand across the ring from the very best. And Hal and John are the best.”

**Zan:** “They fight with honor. They fight with discipline. And they fight with the strength of their will. But we fight with something just as powerful, unity.”

**Jayna:** “Form and shape. Heart and courage. Two powers, one purpose. **Hal Jordan. John Stewart.** We’re not here to disrespect your legacy.”

**Zan:** “We’re here to test ourselves against it.”

**Both** (closing) “**Wonder Twins** powers... activate! And the Triple Crown Tag Team Championships... are next!”

### DARTH MAUL: SHADOWS OVER THE EMPIRE

*After **Atrox**'s defeat at the hands of **Darth Maul**.*

*The city keeps breathing.*

*Low. Mechanical. Indifferent.*

***Atrox**'s vision steadies, not clear, not sharp, just present.*

*Pain anchors her. Silence holds her.*

*Footsteps.*

*Measured.*

*Unhurried.*

*Not **Maul**.*

*Another presence descends from the shadows above the platform — heavier, colder, carved from discipline rather than rage.*

***Queen Maladi**.*

*No words at first. She studies **Atrox** the way a surgeon studies a failing organ.*

*"You sought balance."*

*Her voice is quiet.*

*Not mocking.*

*Not impressed.*

*Just truth.*

*"And balance brought you here... broken at the feet of a blade forged in pure intent."*

*She kneels, not to help, but to observe.*

***Atrox** tries to rise.*

*Her body refuses.*

*Maladi tilts her head.*

*"Maul leaves survivors only when they serve a purpose."*

*A pause.*

*The city hums.*

*Lights flicker across her mask.*

*"You will learn that purpose."*

*A second presence lands behind her, softer, but colder still.*

**Baroness Vestra.**

*Her voice is almost a whisper.*

*"The **Grey Jedi** chase equilibrium. The Sith define it."*

*Maladi stands.*

*"Atrox... you will rise again. Not as a seeker."*

*Vestra steps forward, finishing the sentence without hesitation.*

*"But as one who understands that balance is a lie."*

*Maladi's cloak shifts in the wind.*

*"Maul showed you the truth. We will show you the path."*

*They turn away.*

*No command.*

*No invitation.*

*Just inevitability.*

*Atrox remains on the ground, breath shallow, vision dimming, but something new settles in the space where balance once lived.*

*Not peace.*

*Not clarity.*

*Alignment.*

*The city hums again.*

## Princess Yuki Hazuki • IWA Women's National Champion

“Prepare for History.”

[The camera opens inside a traditional Japanese garden at dawn. A gentle breeze carries cherry blossom petals across a stone path. Resting on a wooden stand are two championship belts: the BBW Central Plains Championship and the **IWA Women's National Championship**.]

**Princess Yuki Hazuki** kneels calmly before them, dressed in an elegant white-and-crimson robe. After a long silence, she rises and gently places the National Championship over her shoulder.

**YUKI HAZUKI:**

My ancestors believed that a ruler should never boast.

(She smiles softly.)

They believed that victory speaks for itself.

[The scene cuts to highlights from Walla Walla.

Kurosawa Clash.

Polaris crashes to the mat.

One... two... three.

The crowd erupts.]

**YUKI HAZUKI:**

Polaris fought with honor. She carried herself like a champion.

(She bows respectfully toward the camera.)

For that... she has my respect.

(Her expression slowly hardens.)

But respect does not change destiny.

(She lifts the BBW Central Plains Championship.)

In Walla Walla, I claimed the Central Plains.

(She raises the IWA Women's National Championship high above her head.)

And before the month was over... I conquered a nation.

[The camera circles behind her as she overlooks a mountain landscape.]

Many wrestlers seek glory.  
Many seek wealth.  
Many seek fame.

(She shakes her head.)  
I seek perfection.

(Yuki turns back toward the camera.)

Every sunrise is another opportunity to sharpen the sword.  
Every match is another lesson.  
Every championship is another responsibility.

[The belts gleam in the morning light.]

The Blood Bath Women have discovered that a princess is far more dangerous than a queen.

(She places one hand on the National Championship.)  
Because queens inherit kingdoms.

(A slight smile crosses her face.)  
Princesses earn them.

(She draws an imaginary line across the air with her hand.)

So let every champion... every contender... and every league hear these words.

When you see the banner of **Princess Yuki Hazuki** approaching...  
...do not prepare for battle.

(She pauses.)  
Prepare for history.

[She gracefully picks up both championships and walks away through the cherry blossoms as the screen fades to black.]

## **Patriot's Day 2026 – Washington, D.C. – July 4, 2026**

Post-match, backstage.

Hal Jordan and John Stewart stand shoulder to shoulder, Triple Crown Tag-Team Titles held high, both still sweating under the arena lights. Luna Lovegood approaches, microphone held slightly too close to her own chin rather than theirs.

**Luna Lovegood:** Congratulations. That was a very green night for the two of you.

**Hal Jordan:** *(grinning)* You have no idea, Luna. Fourth of July, our nation's capital, and Black Ninja and Jumpin' Jim Gamble thought they were gonna leave here with our titles. Willpower said otherwise.

**John Stewart:** We've defended these titles all over this country. Didn't matter what they threw at us tonight. We had a plan, we executed it, and we're still standing here as champions.

*Luna adjusts the microphone and studies them both with mild fascination.*

**Luna Lovegood:** You do both glow rather strongly. I don't mean that figuratively. There's quite a lot of aura around the two of you. It's not unlike Nargle repellent, actually, but much bigger.

*Hal Jordan glances at John, unsure whether that was a compliment.*

**John Stewart:** I'll... take that as a good thing.

**Luna Lovegood:** Oh, it is. Nargles hate confidence. You two must be nearly impossible for them to get near.

**Hal Jordan:** *(recovering, playing to camera)* Well, however Luna wants to put it, the truth is simple. Jumpin' Jim Gamble jumped right into a fist. Black Ninja disappeared into the shadows same as always the second things got tough.

**John Stewart:** Every team in this league, every division, take note. These titles aren't for sale, they aren't for the taking. Hal and I earned them, and we intend to keep on earning the right to hold them.

**Luna Lovegood:** Very brave. I once wrote a similar thing about Nargle wards, though mine rhymed.

John just shakes his head slightly, smiling, as Hal claps him on the shoulder and the two men raise the titles once more for the camera. Luna gives an earnest little wave to the lens as the segment ends.

SHL Global Tag-Team Championship  
VIRUS/GLC: Green Lantern John Stewart & Soranik  
Natu defeated the defending champions The Martian  
Manhunter & Cyborg at 17:58 when John Stewart forced  
Martian Manhunter unconscious with the Cobra Clutch,  
capturing the SHL Global Tag-Team Championship.

[The broadcast returns to the commentary desk.]

**CLARK KENT:**

Welcome back to SHL television, everyone. We've  
reached our main event, and the Global Tag-Team  
Championships are on the line. Alongside me tonight...  
somehow... is our special guest commentator...

**SKELETOR:**

HEH-HEH-HEH. Harley Quinn won't be joining us. She  
accidentally... locked herself in a broom closet. How  
unfortunate.

**CLARK KENT:**

...I'm not convinced that's exactly how it happened.

[The bell rings as the arena erupts. The reigning  
champions, Martian Manhunter & Cyborg, stand  
opposite the Green Lantern Corps pairing of John  
Stewart & Soranik Natu.]

For nearly eighteen minutes, momentum swung back  
and forth. Cyborg's raw power repeatedly halted  
Soranik's technical offense, while Martian Manhunter's  
incredible resilience frustrated John Stewart at every  
turn.

**CLARK KENT:**

This has been a tremendous championship contest. Four  
extraordinary athletes refusing to give an inch.

**SKELETOR:**

Enough wrestling. Someone conquer someone already.

Late in the match, Soranik intercepted Cyborg with a  
perfectly timed running knee that sent the cybernetic  
powerhouse tumbling through the ropes to the floor.

John Stewart immediately seized the opening.

He slipped behind Martian Manhunter and locked his  
powerful arms around J'onn's neck and shoulder.

**CLARK KENT:**

Cobra Clutch. John Stewart has the Cobra Clutch locked  
in.

Martian Manhunter struggled desperately, throwing  
elbows and stumbling toward the ropes, but Stewart  
lowered his center of gravity and cinched the hold even  
tighter.

**SKELETOR:**

Yes. Squeeze him. Drain every ounce of fight out of  
him.

The Citrusville crowd roared as Martian Manhunter's  
movements slowed. His arms dropped. His knees  
buckled.

The referee grabbed J'onn's wrist.

It fell once.

Twice.

A third time.

The referee signaled for the bell.

**CLARK KENT:**

That's it. The Martian Manhunter is unconscious. John  
Stewart has put the champion to sleep.

[The bell sounds as Soranik rushes back into the ring,  
embracing her partner while the referee presents them  
with the SHL Global Tag-Team Championship belts.]

**SKELETOR:**

Excellent. Victory through superior technique. I  
approve.

**CLARK KENT:**

What an incredible performance by John Stewart and  
Soranik Natu. They didn't win with luck... they won  
with discipline, teamwork, and one perfectly executed  
Cobra Clutch.

[John Stewart raises one championship belt high while  
Soranik holds the other. Green pyrotechnics erupt  
around the ring as the new champions celebrate before a  
standing ovation from the Citrusville crowd.]

**SKELETOR:**

Now... someone should probably let Harley out of that  
closet.

**HARLEY QUINN** (faintly from backstage):

HEY. I CAN HEAR YA, YA BLUE BONEHEAD.
